DOG CITY TRAINING CENTER

15559 Wright Brothers Drive

Addison, TX 75001

P: 214-506-DCTC (3282)

11:30 am to 1:30 pm Shaping Creativity \$40

101 Things to Do With a Castle!

2:00 pm to 4:00 pm "Settle" with Benefits! \$40

Let your dog "chill out," while you play The Training Game with fellow humans! Great for impatient dogs and for those nervous about being separated from their handler. FUN FOR ALL!

4:30 am to 5:30 pm Removing Rewards \$20

Lecture and Discussion: Living without food in your pocket! What to do when it's time to remove rewards--for the performance dog and for the family dog.

SHAPING captures a behavior the dog makes naturally, and by rewarding incremental change, creates a finished behavior. (Sometimes of great complexity!)
